

JOHN ASTLEY & SONS LTD

MATERIAL SAFETY DATA SHEET

60345 - 60347

18/01/07

BROWN VINYL TAPE

1. IDENTIFICATION OF THE PREPARATION AND COMPANY

Name of product: Brown vinyl self adhesive tape

Stock Code/s: 60345 to 60347

Manufacturer: Various

Distributor: John Astley & Sons Ltd,
Renown Avenue,
Coventry Business Park
Coventry, CV5 6UF
Tel: (024) 7685 4545. Fax: (024) 7685 4515. E-mail: sales@astleys.co.uk

2. COMPOSITION

Physical form: Vinyl tape on a roll

Composition: Plasticised polyvinyl chloride sheet coated on one side with a pressure sensitive adhesive containing resins and elastomers.
Not classifiable under CHIP Regulations or EC Directives 91/325 or 67/548.

3. HAZARDS IDENTIFICATION

CAS/EINECS No: Not applicable.

General: Ingredients, which may themselves present a toxic hazard, do not normally constitute a hazard when incorporated into the product.
Tape is not a hazard in normal circumstances.

Mouth: The tape should not be used in applications such as toys, where ingestion is possible.

Eye: Avoid eye contact, which may result in mechanical abrasion damage.

Skin: May cause irritation to persons with sensitive skins.

4. FIRST AID MEASURES

General: In cases of accidental ingestion, eye contact or persistent skin irritation seek medical advice.

5. FIRE-FIGHTING MEASURES

Extinguishing media: Cool with water spray, use any suitable extinguishing media.

Special precautions: Vinyl adhesive tapes, including those classified as self-extinguishing, will burn in a general fire to produce corrosive and toxic fumes.
Breathing apparatus may be required.

6. ACCIDENTAL RELEASE MEASURES

Spill Clean Up Methods: Sweep up and place in suitable containers for disposal.

7. HANDLING AND STORAGE

Storage precautions: Prolonged storage should be avoided to minimise oxidation of the adhesive.
Store at recommended temperatures and protect from dust, moisture, direct sunlight, corrosive and solvent fumes.
Storage life is one year from date of despatch from manufacturer for technical properties.

BROWN VINYL TAPE

8. EXPOSURE CONTROLS / PERSONAL PROTECTION

Personal protection: A good standard of personal hygiene should be maintained. Wash hands after use and especially before handling food. The tapes have not been formulated and tested for prolonged skin contact and should not be used as a medical plaster or as a hand protection tape. People with sensitive skin or those concerned about skin abrasion should take suitable precautions e.g. proprietary barrier cream or gloves.

9. PHYSICAL AND CHEMICAL PROPERTIES

Appearance: Brown vinyl tape on a roll

Chemical properties: Not relevant

10. STABILITY AND REACTIVITY

Chemical stability: Stable.

Conditions to avoid: Direct heat or sunlight

Chemicals to avoid: Hydrocarbon solvents

Hazardous

Decomposition products: Toxic fumes such as carbon monoxide and hydrogen chloride may be produced when burnt.

11. TOXICOLOGICAL INFORMATION

Health Warnings: The product is not classifiable on the basis of physico-chemical or health effects

12. ECOLOGICAL INFORMATION

Ecotoxicity: The product is not classifiable as harmful to the environment. Biodegradation is expected to be poor, due to the product's low water solubility.

13. DISPOSAL CONSIDERATIONS

Disposal Methods: Dispose of as combustible non-toxic landfill to local regulations. Do not incinerate without suitable fume scrubbing equipment on stacks.

14. TRANSPORT INFORMATION

General: Non hazardous. Not classified under IMDG or ADR regulations.

15. REGULATORY INFORMATION

EC Classification: Not classifiable within the meaning of Directives 91/325/EC, 67/548/EC and CHIP Regulations.

EC symbol: Not required

EC Risk Phrases: None

EC Safety Phrases: None

16. OTHER INFORMATION

This information is based on our current level of knowledge and relates to the product in the state in which it is delivered. It is intended to describe our products from the point of view of safety requirements and is not intended to guarantee any particular property.

This data sheet is in a format which conforms to EC Directive 91/155.

Date issued: 18th March 2005
