---

**GLASS PLUS CLEANER** is the latest ultra pure glass and plastic cleaner. Free from ammonia and abrasives, **GLASS PLUS CLEANER** ensures effective cleaning without unsightly chalk deposits. Simply spray on and wipe off for a sparkling finish.

## USES

---

**GLASS PLUS CLEANER** is the latest ultra pure glass and plastic cleaner. Free from ammonia and abrasives, **GLASS PLUS CLEANER** ensures effective cleaning without unsightly chalk deposits. Simply spray on and wipe off for a sparkling finish.

**JANITORIAL:** Windows, double glazing, mirrors, glass, display units, glass shelves, VDU screens, ceramic tiles, laminates, stainless steel, aluminium, all hard surfaces.

**INDUSTRIAL:** **GLASS PLUS CLEANER** cleans white goods, fridges, dishwashers, freezers, washing machines, kettles, toasters, etc. Cleans glass and UPVC throughout the glazing and double glazing industry.

**GLASS PLUS CLEANER** cleans photocopiers to produce a clearer image. Cleans small components in the light engineering and electronic industry.

**AUTOMOTIVE:** **GLASS PLUS CLEANER** is used extensively on glass and plastic, both internally and externally throughout the automotive industry.

## DIRECTIONS AND DILUTIONS

---

This product is used undiluted. Spray a little onto the surface to be cleaned and wipe with a clean lint free cloth.

Alternatively wet a cloth, cotton bud or other lint free material and clean the soiled area. Wipe to a clean, dry finish.
