MULTI WASHROOM CLEANER is a viscous clear, yellow liquid with a lasting lemon fragrance. The formation is a scientific blend of biocides, chelating agents, non-ionic surfactants, perfume oils and a water soluble dye stuff.

USES

WASHROOMS

Use **MULTI WASHROOM CLEANER** undiluted for wiping away body fats and soap scum build up in baths, sinks and showers. **MULTI WASHROOM CLEANER** leaves tap fittings bright and shiny again. A solution of **MULTI WASHROOM CLEANER** is an excellent cleaner for walls and doors of washrooms and changing areas. **MULTI WASHROOM CLEANER** is suitable for use on all stainless steel urinals where strong acids can cause damage.

JANITORIAL

A solution of **MULTI WASHROOM CLEANER** can be used as a regular cleaner on all hard floor areas to leave clean sanitary conditions. Use a solution of **MULTI WASHROOM CLEANER** to wipe down canteen tables to preserve hygienic conditions.

DIRECTIONS AND DILUTIONS

MULTI WASHROOM CLEANER can be used at a range of dilutions from neat up to 1 part of **MULTI WASHROOM CLEANER** to 50 parts of water. When using undiluted simply clean the surface with **MULTI WASHROOM CLEANER** and rinse away with water. When cleaning with a dilution of **MULTI WASHROOM CLEANER**, e.g. floors, walls and work tops, clean over the surface removing as much liquid as possible to ensure the surface dries quickly and smear free.
