USES

A concentrated liquid lavatory cleaner which kills germs, removes limescale and organic deposits, and leaves toilets, urinals and sanitary ware clean and fresh. New formula dissolves limescale and organics without brushing. Bactericidal, kills germs and odours at source. Rapidly removes grease, body oils and scum from baths, sinks and showers. Leaves taps and fittings bright and shining. Removes algae and slime from swimming pool surrounds. Clinging formula for effective action on vertical surfaces. **TOILET CLEANER & DESCALER** leaves a fresh, clean, long lasting, fragrant atmosphere.

DIRECTIONS AND DILUTIONS

TOILET BOWLS: Heavy soiling: Remove water from the bowl by forcing it over the trap with a mop applicator. Pour undiluted product onto the mop applicator held over the bowl. Spread evenly over the bowl paying particular attention to under the rim and water inlets. Flush the toilet after cleaning and rinse out the applicator. **Regular cleaning & sanitising:** Apply undiluted product evenly above the water line and around the rim. Leave for 10-15 minutes before flushing the toilet. **URINALS:** Apply undiluted product directly onto the surface of the urinal with a mop applicator. Agitate as necessary to remove stubborn stains. Leave to flush and rinse out applicator. **CLEANING CHROME, TAPS & SINKS:** Dilute 1 part to 40 parts of cold or hand hot water. Wash the surface with this solution and rinse thoroughly with clean water. **N.B. DO NOT USE ON ACID SENSITIVE SURFACES SUCH AS MARBLE, TERRAZZO OR VITREOUS ENAMEL. DO NOT LEAVE NEAT MATERIAL IN PROLONGED CONTACT. ALWAYS RINSE OFF.**
